

List of 2009-10 courses approved for TC3 dual college credit

Students who enroll in the following courses will take the class at Marathon Jr.-Sr. High School, instructed by a Marathon Central School faculty member. The curriculum for each of the courses has been approved by TC3. Therefore, a student can earn high school and college credit for the successful completion of any of these courses. There are prerequisites for most of the courses and a student should talk with a guidance counselor for more details.

Additional Courses Offered for Advanced Placement Credit (AP)

The following courses are challenging, advanced courses that a students may choose to take during their junior or senior years. For each of these courses, the advanced placement test is given in May. Interested students should discuss these options with their guidance counselor, as these courses are sometimes offered based on the level of student interest.

*Advanced Placement students commit to taking the AP Exam in May. There is a fee for the exam. College credit is determined solely on the student's exam score. For AP Courses that are not TC3 dual credit courses, credit is not automatic and is based solely on the AP exam score.

AP American History

AP Calculus

AP Government

AP English (Senior Year Only – prerequisite of 85 on the English Regents Exam)

AP French

AP Physics

AP Spanish
