## SCHOOL HOURS

- Students transported by parents and guardians should not arrive before 7:50 am.
- Students must be in their homerooms before **8:10 am**.
- Dismissal will begin for car riders at 2:35 pm. The buses will load at 2:40 pm and leave Appleby by 2:50 pm.
- Office personnel are available from 7:30 a.m. until 3:30 p.m. each day.

## SCHOOL ATTENDANCE

- Children enrolled in public school in New York State are **required to attend school on a daily basis**. When a child is absent from school the child is required to bring an excuse to school explaining the absence.
  - o **Excused Absences:** student illness, death in the family, religious observance, medical appointments
  - o **Unexcused Absences:** Truancy, over-sleeping, missing the bus, caring for a sibling, family vacations

Students have approximately 20 days in which there is no school. **PLEASE do not schedule family vacations during regular instruction times.**

- **Tardiness:** Students who arrive after the 8:10 bell are considered tardy and must sign in at the Main Office. Students who are chronically tardy may not be able to participate in special events. When you are late, you are not ready to start your day of learning with your classmates. Students who are tardy must present an excuse each time they are tardy.

## **PARENTS/GUARDIANS PLEASE NOTE:**

It is expected that children will become ill during the course of the school year. All children need a day or two to recover from a fever or the stomach bug. While all children react to illness differently, most children will not miss more than 5 days during the school year. **Regular school attendance is linked to success and consistent progress in school.**

Children experiencing chronic absences, (unrelated to health issues) lose academic ground quickly because they miss instruction and have a difficult time making up the missed work. Parents of children with excessive absences/ tardiness will receive letters indicating their child is on track to be chronically absent. We will also make phone calls home and if absences continue, parents will have to meet with Mr. Hillis to develop a plan to deal with the excessive absences/tardiness.

- **IMPORTANT**  
Students who have more than 18 absences a year are considered chronically absent. This may result in the need to repeat the same grade since so much instruction time has been missed.

## STUDENT MEDICATIONS

All medication shall be stored and administered by the school nurse. Parental permission must be filed with the Nurse's office. The items must be brought to school in the original container with the label intact and legible. The school nurse may administer the items if the parent submits a written request accompanied by the physician's statement indicating the frequency and dosage.

## MEDICAL EXCUSES

Students with a doctor's statement to be excused from Physical Education must file this excuse with the nurse. The nurse will send a copy to the Physical Education teacher and another to the Guidance Counselor. The original excuse will be placed in the student's health record. The student is to notify the Physical Education teacher that the nurse has the note.

## TRANSPORTATION

District transportation is provided for students to get to and from school. Bus drivers do not allow students to get on or off the bus **anywhere** except their regularly scheduled bus stop. Only students assigned a bus route may ride a bus, including the late bus. Any student wanting to ride a bus route that is not their own must have written permission from their parent/guardian. This note must be handed into the Main Office in the morning. The student will pick up the bus note at the end of the day.

## ACCIDENTS

If you are involved in an accident that occurs on school premises, go to the Nurse's office. If the nurse is unavailable, report the accident to your coach, advisor, teacher or other adult and/or administrator.

Each Building Principal shall be responsible for informing all students and their parents of the student dress code at the beginning of the year and any revisions to the dress code made during the school year.

***Students who violate the dress code shall be required to modify their appearance by covering or removing the offending item, and if necessary or practical, by replacing the item. Any student who refuses to do as instructed or who fails to comply shall be subject to discipline, including suspension from school.***
