MCS STUDENT HANDBOOK/CODE OF CONDUCT

2026-2027

To the Student and Parent/Guardian,

Our District's traditional practice is that we do not print copies of the Student Handbook/Code of Conduct, however, families may request a copy of the document by contacting the High School Main Office. We are encouraging students and parents/guardians to read the handbook.

The handbook can easily be accessed online by going to the Marathon Central School homepage (www.marathonschools.org) and hovering over the tab labeled "Schools", clicking on "Marathon Jr./Sr. High School" and then clicking on "Code of Conduct" located in the center of the page.

Please detach the form below and have your child **return it signed to the Main Office or to their first period teacher by Friday, September 18th, 2026.** If you have any questions regarding the Student Handbook/Code of Conduct, please feel free to call the high school at (607)-849-3252.

Thank You! Have a great school year!
