SPIRIT WEEK!

Marathon students had a blast showing their Olympian pride during the fall spirit week!

EMBRACE • EDUCATE • EMPOWER

SUPERINTENDENT LETTER

As I continue to settle into my first few months as Superintendent, I remain just as excited—and truly humbled—as I was on day one. I already knew that Marathon was a special place, but I continue to be amazed every day by how awesome this community truly is. Marathon feels like one big family. What stands out most is how involved everyone is, even those who don't currently have children in our schools.

We are fortunate to have community members who consistently invest their time, energy, and heart into our students. From Halloween festivities at the Civic Center, to food donations for families in need during the holidays, to the annual Senior Citizen Dinner, to the fall play and countless other events, there is always something happening here that reflects the spirit and pride of our town. I am committed to continuing a strong partnership with our community because, to

me, the school and the community are one. I deeply appreciate this town for embracing that shared vision.

We have just wrapped up an exciting fall sports season and are looking forward to a competitive and spirited winter season ahead. As we support our student-athletes and performers, we also remain focused on improving student attendance and building meaningful connections with every student.

We still have an important need for bus drivers. If you or someone you know is interested, please call the district office—we would love to speak with you.

With winter weather approaching, please ensure that your ParentSquare app is functioning properly so you can receive delay and closing notifications. If you have questions or concerns regarding your child, please reach out to the teacher or coach first. Many issues can be resolved quickly and effectively at that initial level. If you still need

assistance after that, please contact your building principal or the athletic director. And if concerns remain after these steps, please feel free to reach out to me directly—I will always get back to you. You can call the district office or email me, whichever is more convenient.

Lastly, I want to extend my sincere gratitude to our Board of Education members. They volunteer countless hours to support our district, and their dedication plays a vital role in making our school—and your child's experience—truly exceptional.

Thank you for welcoming me so warmly into the Marathon family. I look forward to what we will continue to accomplish together.

Sincerely,

Jamie M. Coppola

HIGH SCHOOL HEROES TRIUMPH IN THIRD ANNUAL FACULTY BASKETBALL SHOWDOWN

The High School Heroes defeated the Appleby All-Stars 49-34 in their first Faculty Basketball Showdown. In its third year, the fundraiser raises money for the senior class trip to Walt Disney World, this year for the Class of 2027. Teachers from Marathon High School battle it out against Appleby Elementary teachers, vying for the now legendary Maple Jug.

The teachers vs teachers basketball game was born out of a brainstorm of ways to incorporate the community in student fundraisers beyond standard bake sales and chocolate orders. In its inaugural game, the event sold out over 375 tickets in the first day sales opened.

Community partners and school staff and students alike worked hard to put together this year's successful event. Thank you to everyone who

contributed and showed up to cheer on your High School Heroes and Appleby All-Stars!

APPLEBY ELEMENTARY NEWS

As I sit to write the latest installment for the Torchlight, the temperatures are chilly with lots of snow in the air. We had a terrific fall here at Appleby, and so were the events that took place.

In October, members of our Marathon Volunteer Fire Department conducted their annual Fire Safety assemblies for all of our students. We were fortunate to visit the firehouse and participate in some tremendous learning activities. This dedicated group of firefighters took time from their regular jobs to teach our students about fire safety. We appreciate their time and their willingness to make these annual presentations.

October was also Open House and Book Fair. Both were well-attended, and I appreciate your continued support.

Appleby Elementary hosted Parent Conferences the evening of Monday, November 3, and during the day on November 4. Both the daytime and evening conferences were well attended. The Appleby staff appreciated the opportunity to meet and speak with so many parents.

On November 5, we celebrated our October TORCH Bearers with an afternoon of fun and games out on the track and field. Over 300 students, around 80% of the student population, were eligible due to their outstanding behaviors and attendance.

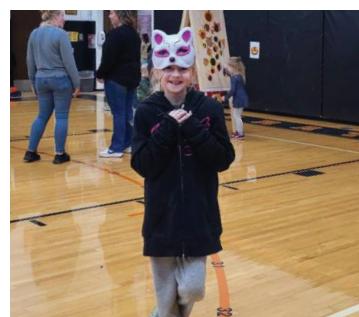

Our first awards assemblies were held on Friday, November 14. Awards were given for: Outstanding Effort, Achievement in our Special Areas, and Principal's Leadership Award/TORCH Award, as well as recognizing students for their academic achievement. Congratulations to all the students and their families who received awards.

Just a reminder to our students: Each Friday is school spirit day at Appleby – wear your orange and black!

Stay safe and have a wonderful Holiday Season!

Jonathan Hillis,
Appleby Principal

MEET YOUR 2025-2026 BOE STUDENT REPRESENTATIVE: DELANEY REILLY

Marathon High School senior Delaney Reilly is this year's student representative for the Board of Education. Read below to learn more about her and the experience she's gaining through this opportunity.

1. How did you get involved with this role?

"I've always been involved with the community and I'm in various groups and clubs. I've always looked up to the administration and the way that they run the school. I thought it would be a great opportunity to become a part of that, so my voice is also heard along with the community I grew up in."

2. What has been your favorite part so far?

"I love getting the chance to represent my classmates and make sure that their voices are heard, as well as getting the chance to hear firsthand what the Board is planning for the future in our district."

3. What are some skills you've learned that will help your future career goals?

"I've been able to work on public speaking and communicating my thoughts and opinions well, and I'm able to be more clearly understood. I am in cosmetology school in high school, and I plan to major in business administration at Utica University while playing field hockey. By being able to communicate well, I'm setting myself up to build clientele and overall become a contributing member in society."

4. What are your other extracurriculars at Marathon?

"I play three sports. I am in field hockey, basketball, and I run track. I am a member of Future Business Leaders of America. I compete in various public speaking and business/advertising-centered competitions. I am also involved with FFA, Future Farmers of America, where I also publicly speak."

5. What advice would you give to other students who are looking to take on a leadership role?

"Don't be afraid. I think the borderline reason that people don't make sure their voices are heard is because they're afraid of judgment. Our administration just wants to see us succeed. By putting your voice out there, you're helping not only yourself but also other students. Not only building your skills for the future but making sure your school is as safe and enjoyable as can be."
